ARMORTECH SECURITY

Yador Enterprises, Inc. dba ArmorTech Security

CAPABILITY STATEMENT

BSIS PPO License No. 119899

Small Business | Veteran Owned | BBB Accredited | BSIS Licensed | Founded 2016

COMPANY OVERVIEW

ArmorTech Security is a veteran owned, BSIS licensed private patrol operator headquartered in Vista, California. Since 2016 we have provided licensed security officers, campus and facility protection, custody exchange support and process serving to schools, families, businesses and public agencies across Southern California, from San Diego County to Los Angeles.

Through our training division, Focal Point Academy, we train and certify security officers in house, so every post is staffed by officers who know our standards and your procedures.

CORE COMPETENCIES

- **Security officers:** armed and unarmed officers for fixed posts, roving patrol, front desk and gate access control.
- **School and campus security:** arrival and dismissal coverage, visitor screening, after hours and athletic events.
- **Event and facility security:** crowd management, perimeter control and incident response.
- **Custody exchange and child transport:** neutral, documented exchanges with written reports.
- **Process serving:** first attempt within 24 hours, same day and rush service, skip tracing, documented attempts and signed proof of service, performed by a licensed private investigator.
- **Security training:** BSIS guard card, firearm and baton permit courses, de-escalation and use of force training for officers and agency staff.

RELEVANT EXPERIENCE

Our officers have protected K-12 private schools, jewelry retailers, concert venues and churches, and supported K-9 security assignments. References available on request.

DIFFERENTIATORS

- **Veteran owned and led:** military discipline, clear chain of command and accountability on every post.
- **Trained officers:** de-escalation and conflict mediation, CPR and first aid, and active shooter response.
- **Supervision and reporting:** on-site supervisors, written post orders and documented incident reports.
- **In house training:** BSIS approved courses through Focal Point Academy keep officers current and certified.
- **Insured:** general liability of $1M per occurrence and $2M aggregate, plus workers' compensation; certificates of insurance available on request.
